Please take a few moments to complete form below in its entirety!

[Please return completed form on your next visit]

TRUTH CHURCH FAMILY MEMBER DATA FORM

For the safety of all, as we are transitioning into a larger facility, it is important that our database records are accurate, so that we can grow to know and easily identify our church family members.

And for those of you who have small children, this is even more critical, to have accurate information for children attending kid's church.

We also need family photos! We can take your photo here after church – or you can upload once given access to your file. Inquire @Welcome Desk...

Please write neatly and clearly to ensure accurate records for our database!

If you don't have access to a printer, you can pick this form up at the Church "Welcome Desk"
